College, Kakanpur, Godhra Gujarat.**

6 Effective date of starting of the project: **23/03/2015**

7 Grant approved and expenditure incurred during the period of the report:

a. Total amount approved Rs.: **2,70,000 /-** First Year: **1,97,500/- /-**
Second Year:

b. Total expenditure **Rs.2,74,021/-**

c. Report of the work done: (Please attach a separate sheet)

d. Brief objective of the project

- i. No One has ever searched for Dolomite stone, powder Use its specialty on Dolomite.
- ii. The Dolomite factory is located in whole of Chhota Udepur district in the entire state of Gujarat.
- iii. Dolomite mines and Dolomite Factory are located in tribal areas. For tribal people, they get employments from this.

- iv. Doing research on dolomite has helped realize the benefits, effects and innovations the dolomite factory owners, workers, local people, lease owner and the Society have.
- v. Many types of items are made from dolomite powder such as rangoli, glass, oil paint Chemical product, Ceramic tiles white cement items used in Dolomite powder. These things are not made in Chhotaudepur district, but if these things are made in local area by Creating a G.I.D.C. in Chhotaudepur district. The employment in the local area will increase and the tribals will not have to another district for employment. As the cost of the item goes down, the profits increase the rapid growth of the small scale Industries, the increase in the education of the students as a result of the growth of the Industry, improving the quality of life of the person increasing the capital income and improving the status of tribal people.
- vi. If provision of facilities like subsidy, promotion, tax breaks, Infrastructure facilities, research centre, free trade zone, vocational training centre, industrial born and demand for industrial entrepreneurs are provided to further development of the Dolomite Industry from the Gujarat state Government and central Government, Chhotaudepur. There is a new revolution in the districts dolomite industry.
- vii. For the development of the industry of the Dolomite at the local level, the office of the Collector office, Industry commissioner, Industry Minister of Gujarat Government has been introduced.
- viii. I have received a lot of information about me a minor research project on the Dolomite industry and I have learned many things and have learned to team about U.G.C. Thankyou very much.

My artical enriched publication has been published, detail of which are as follows.
Reserch paper title : "Study of Chhotaudepur district, Gujarat with Reference to profitability of selected dolomite mineral Industries"

Journal Name :- Journal of Advance Management Reaserch Vol.5, issue 5 December
Impact Factor: 4-5-98
